

Directions to Pointe Coupee Multi-Use Center

From Alexandria and North

South on Hwy 1 through Morganza, in 8 or 10 miles there will be a red light, Palbo Café and Cantina will be on your left, continue south on Hwy1 (do not turn and cross the track). In about a mile will be a red light turn right, and take the next right (100 ft.) onto Major Parkway, cross the track and the Multi-Use is on your left.

From the West

Travel East out of Opelousas on Hwy 190, when you get to Livonia turn left at the second red light onto Hwy 78. This will take you through Livonia you will cross a bridge and the road will T, turn left (you are still on Hwy 78, and Parlange Ln.) continue on to the next T and turn left onto Hwy 1, (this will be about 5 miles). After turning onto Hwy 1 False River will be on your right. In 8 or 10 miles you will get to the next red light, (McDonalds is on your left) continue straight for a half mile or so and turn left onto Major Parkway (signs will say Scott Civic Center and Pointe Coupee Multi Use Center). In about a mile the Multi-use will be on your right.

From the East (Baton Rouge)

Travel West on Hwy 190 through Erwinville and turn right on Hwy 1 towards New Roads. Stay on Hwy 1 through the red light at McDonalds. Continue straight for a half mile or so and turn left onto Major Parkway (signs will say Scott Civic Center and Pointe Coupee Multi Use Center). In about a mile the Multi-use will be on your right.

From St. Francisville etc.

South out of St. Francisville on Hwy 61 about 3 miles and right on Hwy 10, cross the new bridge and at the 2nd light turn left and then back right (100 FT.) onto Major Parkway, cross the track and the Multi-Use will be on your left.
