

2026 Rulebook

Louisiana Stock Horse Association, INC

LaSH was started in 2006 by fellow horsemen to offer affordable, fun, and standardized ranch horse riding clinics and competitions. Rider knowledge and skills are taught to maximize horse trainability, performance and safety. The overall goal is to create better horses and

horsemen.

The LaSH association not only wants to exhibit a broke stock horse, but also show horsemen how to break and train this horse. The events are designed to show the stock horse in competitive events as well as provide instruction on breaking and training a broke stock horse. The ideal Western Stock or Ranch Horse must be proficient in many areas of everyday ranch work to be a true all-around horse. The LaSH program is directed to this type of horse—a broke, competitive horse.

LaSH is an innovative partnership between interested horse users, breeders, ranchers, associations, and any interested organization(s). A special thanks to Louisiana State University Cooperative Extension for helping to facilitate in organizing this association to meet the present and emerging needs of and continuously strengthen the Louisiana western stock horse industry.

Clinics—Offer riders affordable, fun and standardized riding clinics in various locations in the state, where stock horse maneuvers are identified and rider knowledge and skills are taught (to maximize horses trainability, performance and safety), so that riders can develop nicer horses, improve their on-the-job performance, and enhance their riding pleasure.

Competitions/Evaluations—Offer riders standardized, practical, low-key, low-cost measurement tests, where horse performance is measured against a clearly defined standard, and rider skills are assessed against a proficiency standard, so that riders can make maximal rider skill progress in the most time efficient manner.

Promotion and Sales—Support sales companies and offer breeders and ranchers additional private treaty and public auction opportunities, where prospects and trained horses (at various levels) can be more objectively evaluated, promoted and sold with both seller and buyer satisfaction of highest priority.

Organization Services—Offer associations, organizations, stock horse shows, sales companies and other groups and/or individuals, serving stock horse clientele, assistance in planning educational programs and competitions/ evaluations, plus provide a forum for routine discussions on industry strengths, opportunities, weaknesses and threats, so that these groups can better serve clientele.

Positive Atmosphere—Provide all programs, activities and projects in the atmosphere of honesty, openness, personal growth and politeness toward fellow horseman, where horses are always respected, and where true western tradition is genuinely honored.

There will be a \$30.00 late charge for members entering after books are closed on Wednesday prior to the competition. This late charge will include entries received the day of the show. (Exception: A new member purchasing a membership the day of the show can enter up until one (1) hour prior to the show). Show day entries will close one hour prior to the start of each class. There will be a \$5.00 late charge for any class entry made by any member already entered in a show less than 1 hour before the start of any class or while the class is in progress.

LaSH MEMBERSHIP—The Louisiana Stock Horse Association is dedicated to and open to all western stock horse enthusiasts. The Association is open to all stock horse breeds, registered or grade, whether ridden on the ranch, in the ring or down the road. Members are eligible to participate in all Louisiana Stock Horse Association events and to vote on directors. Officers will be elected by the board. Upon completion and acceptance of an application form, an applicant is issued a membership card with a membership number (used in all official communication with LaSH). Membership is available for individuals and families for a one-year period (January 1 to December 31). There is not a lifetime membership at this time.

- Individual membership is \$50.00/year
- Family membership is \$75.00/year (children 19 and under are included in family membership).
 - Grandchildren (19 and under) can be listed on grandparent's membership
 - Children (19 and under) can be listed on parent's or legal guardian's membership
- A one day \$20 permit can be purchased. This permit allows the contestant to ride in that show **only**. Points do not count for year-end awards and permit fee does not count toward membership unless member decides to join before leaving the show in which the day permit was purchased or before entering the next show. Any day awards will be awarded to the day permit holder.

Any false or misrepresented statement on an application or entry shall constitute unsportsmanlike conduct and will subject the applicant, exhibitor and/or owner of horse to disciplinary action as deemed appropriate by the officers and board of directors of LaSH.

Current and updated information will continuously be available to members as necessary.

The Louisiana Stock Horse Association is a non-profit corporation to provide and administer educational programs for the horse industry.

General Rules for Competition

General Rules for Competition or Clinics—All riders of horses showing in LaSH approved competition or clinics must be members in good standing or nonmembers must purchase a day permit. When entering any LaSH approved classes, entry forms must identify horse and rider. **The Board has the option of suspending a competitor/member from one show or from the association completely based on unsportsmanlike behavior or other unacceptable conduct.**

❖ **Lame horses cannot be shown in competition.**

Etiquette—

- **No one can approach the judge at anytime during or after the show.**
- **Riders must be courteous and exhibit good sportsmanship at all times.**
- **Humane treatment of animals is mandatory.**
- **A grievance must be presented in writing to the LaSH Board.**

Safety—Any unmanageable horse will be asked to leave the grounds. This applies to all horses, but especially to Stallions. Any competitor or clinic participant riding a horse that is out of control will be asked to leave the premises. Judges will have the authority to blow a whistle at any time to **stop** and or excuse any exhibitor who is not in control of their horse. This is especially critical to the working cow class where the goal

of this class is for the horse/rider to control the cow. To accomplish this goal, the exhibitor MUST be in control of their horse. Safety to the cattle is also important. We do not want to cause injury to any cattle.

LaSH Competition Divisions—A LaSH approved show offers nine (9) class divisions: Open, Non Pro, Limited Non Pro (LNP), Jr. Horse, Amateur, Novice, 14 to 18 Youth, Youth 13 & Under, and 8 & Under. LaSH competitions are open to any rider with any horse who is a current member, in good standing, of the Louisiana Stock Horse Association or nonmembers must purchase a day permit. **Competitions shall be divided into one of the following divisions based entirely on the ability of the rider, regardless of the horse they are riding with the exception of the Jr. Horse, Youth (14 to 18, 13 & Under) and 8 & Under divisions.** A rider may show more than one horse in a division. All awards—Year End **All Around** High Point and **Class High Point Winners (Year End)** shall be based on each one horse/one rider team with the **exception** of the 8 & Under division—points will remain with one horse/one rider, but they will not have a Year End **All Around** High Point award. If a rider competes on two horses he/she may win more than one set of points and/or awards in a class. One horse/one rider combination may only compete for the **Year End All Around High Point** Award in One Division in any given year. Rider's ability will be assessed and the rider may be asked to move to another division.

DIVISIONS

OPEN DIVISION—is open to any member, in good standing, with any horse regardless of past winnings. An Open rider is anyone who has received money and/or compensation for riding, training, and/or showing horses or training riders. The Open Division will be offered in both jackpot or non jackpot. Points will not change.

An open rider who has received money and/or compensation for riding, training, and/or showing horses or training riders cannot show in any other class except Jr. Horse and only on a qualified Jr. Horse.

NONPRO DIVISION—is open to any member who has not received money within the last five years for training or showing horses.

- **Once a contestant has shown in the Open and/or NonPro, and has won a Year End All Around High Point they cannot ride in either the Amateur or Novice Divisions. If a contestant in any division has gone down the fence to turn a cow, they cannot move back down to the Amateur Division to compete.**

LIMITED NON PRO DIVISION – (LNP) – BOXING ONLY

The Limited Non Pro Division will differentiate from the Non Pro Division only for the working cow class. In the Limited Non Pro Working Cow Class riders will box a single cow on the prescribed end of the arena for 50 seconds demonstrating the ability of the horse and rider to control the cow.

Limited Non Pro is open to any rider who has not received money for riding, training, or showing horses within the last five years or riders who are currently competing in the Non Pro Division of LaSH. Riders in this division may not show in any working cow class which involves going down in the fence in any alliance such as NRCHA, AQHA, SHOT, etc. Going down the fence refers to a Working Cow class that requires boxing a cow, turning the cow at least twice on the fence followed by circling or roping the cow.

All other rider qualifications that apply to the Non Pro Division also apply to the Limited Non Pro Division. A rider may not compete in Non Pro Division classes and Limited Non Pro Division classes during the same show year.

Riders in the Limited Non Pro Division may ride up and compete in the Open Division in all classes except the Working Cow class. Riders competing in the Limited Non Pro Division are NOT eligible to compete for the **Year End All Around High Point** award in the Open Division.

Riders in the Junior Horse Division (provided the rider meets the definition of Non Pro), Amateur Division, Novice Division or in the Youth Divisions may ride up in Limited Non Pro classes.

A rider that has competed in the Limited Non Pro Division is eligible to compete in the Amateur Division unless:

1. They have gone down the fence in the Non Pro or Open Division, or
2. They have won the Year End All Around High Point Award in the Limited Non Pro Division (ie: the saddle), or
3. They have won the Year End All Around High Point Award in the Amateur Division (ie: the saddle).

Non Pro Riders and LaSH members who compete in the Open Division but do not meet Open Rider qualifications may fall back to the Limited Non Pro division for any reason ONLY ONE TIME provided they submit written notification to the LaSH Board for approval by the Board. Once the decision has been made to go back and compete in the Limited Non Pro Division they may not go down the fence as defined above in any judged classes or events.

AMATEUR DIVISION — is open to upper-level novice riders, in good standing, who have never received money for riding, training, or showing horses; or a rider that has consistently placed in the Novice Division.

Once an Amateur rider has won the Amateur Division Year End All Around High Point for the year, they must move up to one of the next divisions.

A Youth Rider that has previously won the Amateur and/or the Novice Division Year End All Around High Point must appeal to the board to continue riding in the respective Division in which the Year End All Around High Point Award was won.

The LASH Board reserves the right to assess all rider's abilities and any rider may be asked to move to another division.

If a contestant has competed in any organization such as LA Stock Horse, SHOT, NRCHA, AQHA, etc. and has gone down the fence to turn a cow, they are not eligible to compete in the Amateur Division or any Amateur Classes.

NOVICE DIVISION—is for true beginner riders and has nothing to do with the skill of the horse. The Novice division is limited to members, in good standing, who have not received money or awards in any riding discipline for riding, showing or training horses. (Prizes from LaSH Novice Classes are exempt.) **Novice Year End All Around High Point winners from any year can no longer compete in the Novice Division.** Riders' ability may be assessed by the board at any time in the show year and the rider may be asked to move to another division at the board's discretion. Any points earned in the Novice division are not transferable to another division. If a contestant has won money in any horse competition (including LaSH Jackpot), they cannot compete in any class in the Novice division.

If a new member is unsure as to whether or not they meet the Novice qualifications, they may request to have their riding assessed by several board members.

JR. HORSE DIVISION—will be open to any horse five (5) years and under age effective January 1. For example, a horse that turns 3 on April 12th is considered a 3 year old January 1. Age must be verified by providing a copy of registration papers or veterinarian certificate. If challenged, a committee will be appointed to mouth the horse. The certificate verifying the age of the Jr. Horse will be maintained on file and must be presented at the first LaSH show in which the Jr. Horse participates each show year.

YOUTH

- When youth age out of the youth classes, they should be required to show in the appropriate division based on the skill level as evaluated by the board or based on competitiveness in classes/divisions they have previously shown in (for example—a youth showing in the Open or NonPro division and is very competitive). The object is not to penalize them for showing in higher divisions but competing on their level of skill and appropriate division.
 - Youth must ride in their youth age group only. If the youth rides up, the youth must ride in a class not designated for youth—Must be Novice, Amateur, Jr. Horse, NonPro, and/or Open.

14 to 18 UNDER YOUTH DIVISIONS—Age of the youth member will be determined as of January 1 of the current year of the current show season.

13 and UNDER YOUTH DIVISIONS—Age of the youth member will be determined as of January 1 of the current year of the current show season.

8 AND UNDER YOUTH DIVISION—Age of the youth member will be determined as of January 1 of the of the current show season. This division will compete in Ranch Pleasure and Ranch Trail only. This exhibitor is allowed a designated coach in the arena, but the coach cannot touch the rider or horse unless there is an emergency. **The exhibitor cannot be led by anyone with a lead rope or reins. The 8 and Under exhibitor is the only exhibitor allowed the use of roping reins. They may use split reins.** The points will count toward year end class awards, but will not count toward any **Year End All Around** High Point Awards. A horse may be shown by more than one rider in this division only.

A horse may be shown in any division by eligible riders, but **may not** be shown in any class within a division more than once with the exception of the 8 and Under Youth Division.

Any reported violation of division eligibility will be reviewed by the executive committee of LaSH. If horse and/or rider are found to be in violation, they may be barred from further LaSH competitions and any year-end awards will be forfeited.

Year End Awards

Participation Award—A member must participate in at least six (6) LaSH sanctioned shows to receive a participation award.

Year End All Around High Point Awards—Will be awarded to the one horse/one rider with the most points in each division, with the exception of the 8 and Under Division. Horse/rider combination must have competed **in 50%** of the approved shows in four (4) of the five (5) classes, 1 of which is a cattle class. The Year End **All Around** High Point Award will be based on the total number of approved shows. If less than four (4) classes are shown in at a show no points will be accumulated towards the Year End All Around High Point award from that show.

Tie Breaker(s) for All-Around/High Point Individual Class Ties—All-Around ties for each competition and year end awards will be broken by awarding the Year End **All Around** High Point Awards award to the horse/rider with the highest placing in the working cow class. If this does not break the tie, the other classes will be used in the following order, cutting, reining, trail and pleasure. If a tie occurs in an individual class, the tie will be broken with the most 1st places followed by 2nd, 3rd, etc.

Class High Point Winners (Year End)—A member must have competed in 50% of the approved shows in the current show year in order to be eligible for year end, individual class awards. If a rider competes on multiple horses, points will remain with the horse/rider combination for the **Class High Point Winners (Year End)**. The **Class High Point Winners (Year End)** will be based on the total number of points earned at the total number of shows.

Year End Awards will be determined by the overall financial status of LaSH as determined by the Board of Directors and Executive Committee. Awards will be presented at an awards ceremony at a banquet on a date determined by the board of directors. Riders must be present to receive Year End award(s) or have a designee to get your award or forfeit the award.

Hardship Clause—Exhibitor may petition the Board of Directors **in writing via email or text** for a hardship or extenuating circumstance in the case of either the horse or rider. The **hardship** must be preapproved by the board at least 48 hours before the next show. **Any new horse requested to be a substitute for the original, Hardship Clause horse must not have competed with LaSH during the current show year regardless of classes and/or division, if the exhibitor wants the new horse to assume the original horse's points.** Hardships will be granted on a very limited basis.

Equipment and Attire

Equipment—Horses shall be shown in a stock saddle. Silver equipment will not count over good clean, working equipment. Horses, of all ages, may be shown in a ring snaffle, bosal, or curb bit. Split reins shall be used on all bits except that a romal is acceptable with a curb bit and a mecate type rein is acceptable on ring snaffle bits and hackamores (bosal)- No fingers between the reins are allowed with a romal. Curb chains or straps must be attached with nylon string, leather, or leather straps. No metal to metal will be allowed. No wire curbs are permitted, regardless of the amount of padding or tape. Absolutely no iron will be permitted under the jaws. Prohibited equipment includes tie down's, gag bit's, mechanical hackamores, cavessons, and running martingales. A judge may prohibit the use of any equipment deemed to be inhumane or give an unfair advantage.

Western boots shall include typical cowboy boots and lace-up ropers. All other footwear is prohibited. The use of spurs and chaps shall be optional. Clothing should be neat and clean.

Scoring

Disqualification—A contestant shall be disqualified for illegal equipment or obvious lameness of the horse. A contestant will be given credit for what they can do subject to a few standard deductions. Specific deductions are listed with each class.

Open, NonPro, Limited No Pro, Jr. Horse, and Amateur riders who are disqualified will receive a score of "0" will be placed at the bottom of the class and will receive 1 point.

Point System—The judge must place each class in its entirety. Points will be determined by the number of horses in the class (one point for each horse). If there is/are tie(s) in the class, points will be added together and divided by the number of ties. This system will be used for any size class.

Louisiana Stock Horse Classes

Following is a list of five classes to be offered at each LaSH competition with descriptions and guidelines for judging:

All LaSH Classes Judging Procedures—A scribe shall assist each judge by recording the score after each of the maneuvers on the appropriate class score sheet. Show secretaries will total individual scores and check for accuracy. The unofficial class score sheets will then be posted at the show as soon as possible after each class to allow riders to evaluate their performance. After the show has ended, the LaSH secretary will check calculations on scoresheets and post the official results to the LaSH website on the show results page. Scoresheets and results should not be changed after they have been posted to the LaSH website.

Rein Handling—How to Hold Your Reins

One or Two hands may be used with a snaffle bit or bosal, but if a rider starts a class and/or run with one or two hands they must maintain the same throughout the class and/or run. The only exception is when working a specific trail obstacle such as a gate or a rope when one hand is needed for the obstacle.

Only one hand may be used with a curb bit with the ONLY exception being Youth in a Youth class.

Cutting

- Split reins may be held any way with one (1) hand; two (2) hands on reins may be used with a snaffle bit or bosal.
- Romal reins must be held with one (1) hand, thumb up, no fingers between reins, Romal tail in the other hand.

Working Cow, Reining, Pleasure, and Trail

- Split reins must be held with one (1) hand, thumb down, index finger only between reins; two (2) hands on reins may be used with a snaffle bit or bosal. **The tails of the reins must be on the same side of the horse and must remain on that side throughout the run.**
- Romal reins must be held with one (1) hand, thumb up, no fingers between reins, Romal tail in the other hand.

EXCEPTION

- Youth can use two (2) hands with split reins only in the youth classes.
- Two (2) hands when using a snaffle bit or bosal.

DISQUALIFICATIONS

- Finger between reins when using romal reins
- Thumb up (as held on Romal) on split reins in any class except the cutting.
- More than the index finger between split reins (exception—Cutting Classes)
- Use of two (2) hands on reins, with the exception of the tail of the Romal reins.

LaSH Ranch Cutting Class – 1¼ minutes (75 seconds)

This class serves to measure the ability of the horse and rider to remove a single cow from the herd and maintain control of the cow without disturbing the herd excessively for the time required. Rider may assist the horse with minimal reining and spurring. Horse and rider will be scored on herd work, working advantage, and ability of horse to maintain control of the cow selected. Points will be deducted for losing a cow, losing working advantage, and excessive reining or spurring. Herd holders are to help control the herd, but the cutter should take the initiative to make the cut. The run will consist of one cow per contestant. If a cow escapes the working area (goes behind the judge) during a run, time will be stopped until the cow is returned to the working. **If the contestant loses the cow, they may get a second cow to complete the 75 seconds.** The Ranch Cutting will be divided according to divisions.

Scoring the Ranch Cutting—Scoring will be from 0 – 80 with 70 denoting an average penalty free run.

LaSH Working Cow Horse Class – 3 minutes (Open & NonPro Divisions)

The Cow Work Class has been designed to demonstrate and measure the horse's ability to do cow work. Holding the saddle horn is permitted in this class. Time will start when the cow enters the arena. There will be a 3-minute time limit per horse to perform the cow work. At 3 minutes, the announcer will call time. If a contestant completes the work before the 3-minute time is completed, the judge should blow a whistle to indicate that all requirements of the class have been met. The judge may also blow a whistle at anytime for the contestant to cease work for safety reasons. If a contestant is satisfied with their work, prior to the 3-

minute limit, they may raise their hand and quit working. Judges will give credit for what they have seen. If a cow leaves the arena for any reason or the judge grants the exhibitor a new cow, the time will start over. Only a judge may award a contestant a new cow to replace an unworkable cow. The work in the cow horse class will consist of the following three parts.

Part One—Boxing the Cow— One yearling heifer or steer will be turned into the arena. Cattle will be gate cut. The rider shall ride to the middle of the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. **Upon entry into the arena, the cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to “hold” the cow.** If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow on the entry fence.

Part Two—Fence Work—After the cow has been controlled on the end of the arena, the rider shall deliberately release the cow and drive it down the side of the arena. The cow should be turned on the fence **before the penalty markers** at least once in each direction. The first run out for a turn shall be past the half-way mark of the arena. No points will be added for more than one turn in each direction. Markers will be placed at the 1) center of the arena; 2) 1 point penalty marker for cow work shall be placed at each corner of the arena, and 3) 2 point penalty marker for cow work shall be placed a minimum of 20 feet past the 1 point penalty marker. **NOTE: If roping—the 2nd turn must be completed and the horse must be facing the cow before pulling the rope.**

Points deducted:

- 1 point deduction if turn is past first (1st) end marker
- 2 points deduction if turn is past second (2nd) end marker

Part Three—Optional Roping or Circling—For the third part of this class, the rider has the option to either rope and stop the cow or to take the cow to the middle of the arena and circle it at least once each direction. A rider may circle or rope the cow, but cannot combine the two to get credit for this portion of the class.

Circling—should be both left and right: After turning the cow on the fence, the rider should drive the cow off of the fence and circle it once in each direction. The cow should be driven in a circle. Degree of difficulty should be taken into consideration when awarding points (extreme speed of the cow, stubbornness of the cow or the cow’s refusal to move).

Roping—points for roping and stopping: To rope the cow, the rider must be carrying a rope when the class starts. The rider may pull up after the fence work, take down the rope, and proceed to rope and stop the cow. If a contestant pulls his or her rope they must rope and not circle. A contestant may not throw one loop, miss, and then decide to circle the cow. The rider may only throw two loops. Failing to catch does not necessarily mean a score of zero for this portion of the class. A horse may be given credit for rating and tracking, but should not be scored higher than a horse that has also demonstrated the ability to stop and hold the cow. The cow should be tracked, roped and stopped **slowly**. After stopping the cow, the rope is to be released. Should a rider choose to rope the cow, the rope may be attached to the horn with a string such that the rope will breakaway from the saddle horn once the rope comes tight. **There will be a mandatory 10 point reduction if a rider chooses to use a breakaway rope.** In addition, should the rope breakaway from the horn prior to coming tight, this will count as a no catch.

- **All parts of run must be completed in time allowed for each division. Not completing will result in a No Score.**

All maneuvers shall be scored whether completed or not.

- not turning a cow once in each direction

LaSH Working Cow Horse Class Box, Drive, Box, Drive– 2 minutes (Jr. Horse, & Amateur Division)

This class has been designed to demonstrate and measure the horse's ability to do cow work. Holding of the saddle horn is permitted in this class. After calling for the cow, there will be a two minute time limit for cow work in this class. At two minutes, the announcer will call time. If a contestant completes the work before the two minute time is completed, the judge may blow a whistle to indicate that all requirements of the class have been met. The judge may also blow a whistle at any time for the contestant to cease work for safety reasons. Once a rider feels he/she has demonstrated their ability to hold their cow on both ends of the arena, they may choose to wave off the cow regardless of time left. However, should the judge feel they failed to demonstrate that ability, they will be scored accordingly. ALL RIDERS WILL BE DISQUALIFIED FOR RIDING WITH TWO HANDS ON REINS WITH A CURB BIT.

The Working Cow Horse Class will consist of the following three parts:

Part One – Boxing the cow – The rider shall face the cattle entry gate. The rider shall signal for their cow to be turned into the arena. **Upon entry into the arena, the cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate their horse's ability to "hold" the cow. When boxing the rider should drive the cow back and forth across the arena, release the cow and drive around the corner.** If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow.

Part Two – Set Up Cow and Drive Down Fence to Opposite End of Arena – After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately 3/4 the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set the cow up for boxing.

Part Three – Boxing the Cow at Opposite End of Arena – The exhibitor will regain control or "hold" the cow at end of the arena to demonstrate the horse's ability to "hold" the cow.

Part Four – JR. HORSE AND AMATEUR DIVISION ONLY – Drive the cow back down the fence past the middle marker and release the cow or until the judge blows the whistle to show completion.

- **All parts of run must be completed in time allowed for each division. Not completing will result in a No Score.**

NOTE: Judge may blow whistle at any time to terminate the work.

Schooling Class – NOT JUDGED (3 minutes)

The purpose of this class is to allow members an opportunity to school their horse or practice in a working cow competition setting. The rider will be given a maximum of two (2) minutes or until they run out of cow to box or box/drive/box or box/fence/circle. This will be open to every member and will be the last class of the day. The Schooling Class will be a noncompetitive class and will not be judged. The rider will enter the arena and face the cattle entry gate. After calling for the cow, the rider will have two (2) minutes to work the cow. LaSH can cease work for safety reasons.

This class will not count towards year-end or all around high point points and will not have any awards attached.

LaSH Pleasure Class

This class serves to measure the ability of the cow horse to be functional and a pleasure to ride while being used as a means of conveyance from one western stock horse task to another. This horse should be well-broke, relaxed, quiet, soft and cadenced at all gaits. The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint. The horse should be responsive to the rider and make all required transitions smoothly, timely and correctly. Horses shall be shown individually at the walk, trot and lope in both directions. The trot and lope will be extended in one direction only. The class may be conducted inside or outside of an arena. Markers shall be setup to designate gait changes or called on the public address system. If the class is held inside of an arena, the pleasure course shall be setup to make approximately one circle of the arena in each direction. If open terrain is available, the class may be held

outside an arena. The pattern may be started either in the left or right direction. Any one of the six (6) patterns may be used. Open, NonPro, Limited Non Pro, Jr. Horse, Amateur, Novice, and Youth Pleasure patterns may be changed to include different maneuvers within the Pleasure pattern—trot overs, circles, serpentine—8 and under will run the regular patterns.

All Trots are Seated Trots; only Extended Trot can be seated or posted.

Pattern 1 – Walk, Trot, Extended Trot, Lope, Stop & Reverse, Walk, Lope, Extended Lope, Trot, Stop & Back

Pattern 2 – Lope, Extended Lope, Walk, Trot, Stop & Reverse, Extended Trot, Trot, Walk, Lope, Stop & Back

Pattern 3 – Trot, Extended Trot, Walk, Lope, Stop & Reverse, Walk, Trot, Lope, Extended Lope, Stop & Back

Pattern 4 – Walk, Lope, Trot, Extended Trot, Stop & Reverse, Extended Lope, Lope, Walk, Trot, Stop & Back

Pattern 5 – Trot, Walk, Extended Lope, Lope, Stop & Reverse, Extended Trot, Walk, Lope, Trot, Stop & Back

Pattern 6 – Walk, Lope, Extended Lope, Extended Trot, Stop & Reverse, Trot, Lope, Walk, Trot, Stop & Back

RIDERS WILL BE DISQUALIFIED FOR RIDING WITH TWO HANDS ON REINS WITH A CURB BIT.

Youth will not be penalized for riding with two (2) hands in the Youth Division ONLY, but credit may be given for riding with one hand. **HOWEVER, YOUTH RIDING IN OTHER DIVISIONS WILL BE DISQUALIFIED FOR RIDING WITH TWO HANDS ON REINS WITH A CURB BIT.**

When transitioning from the extended trot to the lope, it is permissible to take the horse back a bit (collecting) before loping. The reverse may be executed in either direction.

Description of Ideal Pleasure Gaits – The ideal pleasure horse will have a level head carriage – neither too high nor too low.

Walk – A stock horse pleasure walk should be straight, square, flat footed, relaxed and should move out freely with horse looking ahead.

Seated Trot – This gait should be a square two-beat diagonal seated trot. The trot should be steady, soft and slow enough for riding long distances. Trots which are rough and hard to sit should be penalized. Excessively slow and uncadenced trots should also be penalized.

Extended Trot – The extended trot may be ridden with the rider either posting or standing to the front of the saddle in the stirrups. Holding the saddle horn is permissible at this gait as might be done in open terrain. The extended trot should show an evident lengthening of stride from the regular trot with the same cadence that will cause an increase in speed. This trot should be level, flat and steady with the appearance that the horse would hold this gait for an extended distance.

Lope – This gait should be a three beat gait that is cadenced, straight and steady and is comfortable to ride over long distances.

Stop (from both lope and trot) – The horse should be in the correct stopping position with both hocks engaged and stopping on the hindquarters.

Reverse – A horse should turn briskly and flat with front feet on the ground and holding an inside rear pivot foot.

Extended Lope – This gait should be an obvious lengthening of stride from the previous lope, be at the same cadence and cause an increase in speed while being under control.

Part of the evaluation of this class is on smoothness of transitions. There is no advantage to making these transitions with cues that are imperceptible to a judge. These horses have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit earning situation. All transitions should be smooth. Please note the rules allow for a horse to be taken back (collected) a bit from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is very difficult to achieve, however, a good stock horse will have to make this transition several times during a day's work. This transition is down to the normal or sitting trot not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly

and obediently should be rewarded. Horses that bring the hocks together to go into a stopping position should be penalized according to the magnitude of the error.

Scoring Stock Horse Pleasure — Each gait, including transitions, will be scored from 0 to 100 with a 70 score denoting an average penalty free run. The pattern is broken down into maneuvers to be scored +/- 1 ½ points on each maneuver depending on the quality and degree of difficulty.

Penalties:

Major faults – wrong lead, broken gait, lack of control, failure to perform requested gait, etc.
Average quality of movement of gaits and transitions with some or no faults

High quality mover that is functionally correct in all gaits and transitions well-mannered and responsive, soft and cadenced in all gaits.

LaSH Trail Class

The trail class, as the name implies, tests the horse's ability to cope with many situations encountered in everyday ranch work. The horse is ridden through a pattern of obstacles and is judged on his ability to negotiate them correctly. It is required that the horse be asked to trot and lope during the event course. No less than six and no more than eight obstacles can be used in this event. Obstacles may be placed in any order and location, however, obstacles should nearly approximate those found on the ranch during the course of everyday ranch work. Show committees have the option of setting up the trail course to best fit their arena conditions. Each single performance event can be time-consuming, especially with large classes, so it is

imperative that time restrictions are placed on this class. The show committee, either through a pilot run or estimation, shall select a reasonable course that can be negotiated in a reasonable amount of time (4 minutes or less). The actual trail course pattern will be emailed to active members and posted by social media on the Friday of the weekend prior to the show. **The course may be walked on foot, but no horses are allowed on trail course prior to competition.**

RIDERS WILL BE DISQUALIFIED FOR RIDING WITH TWO HANDS ON REINS WITH A CURB BIT.

Youth will not be penalized for riding with two (2) hands in the Youth Division ONLY, but credit may be given for riding with one hand. **HOWEVER, YOUTH RIDING IN OTHER DIVISIONS WILL BE DISQUALIFIED FOR RIDING WITH TWO HANDS ON REINS WITH A CURB BIT.**

Trail Class Obstacles —Each course will have a maximum of eight (8) obstacles up to 10 scores and a minimum of six (6) obstacles. New obstacles may be added at any time provided they can be found in everyday ranch work. Tarps and culverts will not be used.

Following is a list of obstacles from which selections can be made, but not limited to:

Open & close gate (may change hands to open and close)	Do side pass maneuver	
Walk over bridge	Carry bucket	Walk over water obstacle
Ground tie	Pick-up feet	Walk through brush
Jump over obstacle	Lead at the trot	Trot or lope over posts
Swing rope	Load in trailer	Back thru, in, or around selected areas
Step in & out of obstacle	Put on slicker or coat	Drag obstacle with rope
Open gate on foot	Pick up and/or carry slicker or rope	Rope dummy steer head

All of these obstacles are not necessarily suitable to the Novice and Youth Divisions, notably the rope obstacles. Therefore, we recommend that concern for the safety of Novice and Youth Exhibitors be a criteria in selecting obstacles for the Novice and Youth Division. If eight obstacles are used in the Open Trail Class, one or two of these obstacles can be omitted for the Novice and Youth Division.

The Trail Pattern will be submitted to the Trail Committee prior to the show in order to make sure that the pattern flows, is workable, and is time efficient.

Scoring Stock Horse Trail Class — Horses will be scored from 0 to 100 with a 70 score denoting an average penalty free run. The pattern is broken down into maneuvers to be scored +/- 1½ points on each maneuver depending on the quality and degree of difficulty.

Quality Score — Each maneuver receives a quality score denoting the correctness and degree of difficulty of the maneuver. The scores will range from a -1½ to +1½ depending on its quality. Half points can be used, a “0” score being average. **RIDERS WILL BE DISQUALIFIED FOR RIDING WITH TWO HANDS ON REINS WITH A CURB BIT. Youth will not be penalized for riding with two (2) hands in the Youth Division ONLY, but credit may be given for riding with one hand. HOWEVER, YOUTH RIDING IN OTHER DIVISIONS WILL BE DISQUALIFIED FOR RIDING WITH TWO HANDS ON REINS WITH A CURB BIT.**

Scoring is made on the ability of the horse to negotiate obstacles clean, correct, briskly and without undue hesitation. The rider has the option of eliminating any obstacle and taking a penalty score of “-5” for the missed obstacle. **A judge may ask a horse to pass on an obstacle after three refusals or for safety concerns.** The Trail Class is a pattern class. All riders should complete the pattern as posted. Any deviation will result in a reduction of total points awarded.
