Saturday, July 13 at 9:00 am – An introduction of our clinicians and a short video and explanation of the sport of reined cow horse. The attendees will then be assigned to groups and will rotate through each station. Each station will cover different aspects of the reined work and cow work. ****

Sunday, July 14 at 9:00 am – We will hold a reined cow horse class. This exercise allows the youth to experience a show pen environment. One Clinician will be judging the class, while the other clinicians will be able to coach from the rail and discuss their run in detail.

*** Prizes will be awarded to the most improved and top riders***

Donations are helpful

Although this is a free event for the youth, it does cost the SRCHA to put on the event, if you would like to help with these costs, there will be a donation box at the event or you can send funds with your entry form.

Sponsors - If you would like to be a clinic sponsor just contact us. We also have 2 lunches that we provide to all the kids and parents, we could use a sponsor for those as well.

We will have ice chests with water and drinks, if everyone could bring some drinks to share that would be helpful. Lunch will be provided both days. If you would like to sponsor lunch let us

know.
